

TiVo® T6

evolution™
DIGITAL

More powerful than a DVR. The watch-anything, go anywhere TV solution.

TiVo T6 DVR gives you the power to watch any show, anywhere, anytime. Stream shows directly to your iPad® or iPhone® around the house. And coming soon, stream TV or recorded shows anywhere you're connected to WiFi⁴. You can even download your shows and take them to go. Plus, you no longer need to switch inputs to access all the cool stuff happening on the web. The powerful TiVo T6 serves up TV and entertainment apps from a single menu, with one remote. Built with the one-of-a-kind features that make TiVo users passionately loyal, the powerful T6 records six shows at once and up to 150 hours of HD programming.

¹ Streaming functions compatible with iPad, iPhone, iPod touch devices running iOS 5.1 or later. Not all recorded content can be downloaded to your mobile device due to the copy protection assigned by the content provider. Not all programs may be transferred due to copy protection mechanisms used by copyright owners under the FCC's encoding rules (47 C.F.R. 76.1904). ² Actual high-definition recording capacity may vary based on television signal source and content. ³ Broadband Internet connection required for receipt of 3rd party services. Availability of third-party content subject to change and additional fees may apply. ⁴ Out-of-home streaming(coming soon) supports streaming to one mobile device at a time. Requires an Apple iPhone, iPad or iPod touch device running iOS 5.1 or higher. Out-of-home streaming/downloading may not be available for all recorded content (due to the copy protection assigned by the content provider). Some recorded content can only be streamed and/or downloaded to your mobile device while you are on the same local network as your TiVo Stream or TiVo T6 DVR. Wired network connection required (via MoCA or Ethernet). ⁵ TiVo Mini and TiVo Preview functionality varies by the specific TiVo product configuration installed in your home.
