COMMUNICATING AT THE SPEED OF LIGHT

arlo

Summer Safety

As summer approaches and school comes to an end, routines begin to shift. With kids home during the day and families coming and going more often, having added visibility around your home can bring valuable peace of mind. The Arlo Security System makes it easy to check in anytime, receive motion alerts, and monitor activity in real time — all from your phone.

Whether you're at work, running errands, or heading out for a weekend getaway, Arlo helps you stay connected to what matters most. It's a simple, reliable way to add an extra layer of confidence to your summer plans.

If you'd like to learn more about how Arlo can fit your home, our team is here to help. We're proud to offer security solutions that help local families feel safe and supported. Stop in or contact us to learn more about the Arlo Safety System.

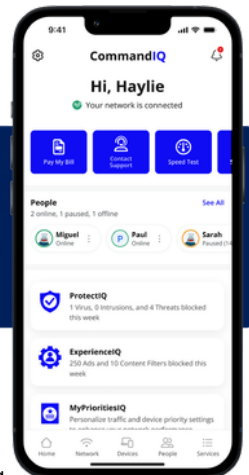

Arlo Security Systems help homeowners respond faster with real-time motion alerts and live monitoring directly from their phone.

NIMBL
SECURE

An App To Manage Your Internet From Your Phone!

As kids spend more time online for school, entertainment, and social connection, having simple tools to manage internet usage can make a big difference. The NimBL App gives parents the ability to stay informed and take control of their home network with ease. From setting screen time limits to managing access to specific apps and websites, NimBL helps you create healthy digital boundaries that work for your family. With real-time alerts and visibility into connected devices, you can stay in the know about how your household is using the internet — all from your phone. It's not about watching every click; it's about creating a safer, more balanced online experience. If you're ready to simplify internet management at home, our team is happy to help you get started with the NimBL App. Download for FREE today!

Celebrate, Appreciate, And Call Your Mom.

This Mother's Day, we celebrate mothers of all kinds — the ones who raised us, guide us, support us, and show up in countless ways every day. Whether it's a mom, stepmom, grandmother, mentor, or someone who simply stepped into that role when it mattered most, their impact reaches far beyond what words can express. As we honor the women who nurture, encourage, and hold families together, we're reminded how meaningful it is to stay connected — through a phone call, a video chat, or a simple message of appreciation. However you celebrate, we hope this day is filled with gratitude, love, and time spent staying in touch with the ones who mean the most.

BALDWIN LIGHTSTREAM MOMS

Thank You Mom!

MEET THE STAFF SPOTLIGHT **Debbie Mahoney**

Debbie recently celebrated 30 years with us and has been a part of so many exciting changes, starting back to the first day of dial up internet. Her dedication has helped shape the service and community connection we value so much.

Outside of work, Debbie enjoys life with her husband, Tom, their two sons, two daughter-in-laws, and four grandchildren. She shares that the best part of being a mom and now a grandma is giving and receiving unconditional love while watching her family grow and enjoy life. "Being a mom is one of the greatest and most honorable gifts I have ever received — it truly makes my heart happy."

Customer Service + Sales Rep

Monday May 25, 2026

This Memorial Day, we pause to honor and remember the brave men and women who gave their lives in service to our country.

It's a time for reflection, gratitude, and coming together as a community.

From all of us at Baldwin Lightstream, we thank those who served and the families who sacrificed.
